If we decide to respond in writing I would recommend the following.

- Why is this site being proposed?

Ex. 5 Deliberative Process (DP)

- If listed on the NPL, what would the implications be for remediation and any other solutions for residents?

Ex. 5 Deliberative Process (DP)

Thoughts? Thanks,

David

Hi Roy (and David) -

Media inquiry from Delaware Public Media (NPR member station out of Dover, DE):

5-minute recorded phone interview with Lorie Baker (or someone with more appropriate knowledge) about the proposal to list the Blades Groundwater Site on the NPL.

- Why is this site being proposed?
- If listed on the NPL, what would the implications be for remediation and any other solutions for residents?

Deadline: 3:30pm today 11/1
